SORE DE YA MINNA-SAN

HELLO.

Good day. This is my first comic with
Ibba. Should be, naturally, my first
completed volume! Did you notice?
Volume 1. Ah, thank you so much!
It's all due to you!

This sensation is completely new!
Even so, thank you very much for reading
my piece completely failed, but volume 1
still managed to be published. I'm very sorry.
Really, I'm so grateful you bought this
book! I'm so happy I could cry!

I thought this was going to be a draw's
manga, but it seems very soap-operatic.
Doesn't it? Sitting around the table, I
thought 'aren't there a lot of manga like?'
Afterwards, my 'so cool' big sister refused
point blank to have this such a common
woman. Yep.

For those reading my works for the first
time, and those who have read them be-
fore, I hope you enjoy yourselves!

I would love to hear your thoughts on
this volume.
Thank you very much.

Uchida Kaoru
